

TVKC Club Championship

Round 6

6th October 2013

Round 6 of the Summer Championships was a dry day and over 200 entries ensured a great days racing. Some incidents early in the day, thankfully without major injury, delayed things slightly but the day was completed with some excellent finals. Incorporated in the meeting was the final of the LGM event.

IAME Cadet – As well as the LGM entry an excellent ‘club’ grid of 26 drivers contested the ‘club’ championship round.

Determined to claim the 2013 title, Albert Carter was in fine form claiming the race win – but only just – 0.04 of a second separated him from James Taylor who gave chase and finished a worthy second. Harry Platten completed the top three but again had to work really hard to hold off the chasing pack (Woodford, Barthorpe & Kimber)

1st Novice: Matthew Hunt

HONDA Cadet – As ever, the racing was fantastic and a full grid! Myles Apps and Connor Grady were the two drivers who made the break and had a ding dong battle to the line. Apps just made it by 0.03 of a second, Grady a solid second and Jean Sammut (3rd) heading a train of 10 or so battling 10 drivers all trying desperately to make the podium – brilliant!

1st Novice: Ethan Kaye

JUNIOR MAX – A full house and, as always, some hard racing from these young guys and gals. The racing was very exciting all day and any one of several drivers were in contention for the win. In the end it was a mighty close thing with Dave Wooder just claiming it from Jordan Brown-Nutley – they could hardly be separated at the line – CLOSE! Thomas Harrison also had to fight hard to hold off Will Shaw but he did – a fine 3rd – the rest of the pack having a great scrap to the line.

1st Novice: Ben Davis

MINI MAX – Lucas Vaus had this one under control – a fine drive to claim the win. Luke Wooder was his nearest challenger but had to be content with second. Hugo Ellis drove very well to hold off the chasing pack of Hack, Cane, & Harwood and claim a hard earned 3rd.

SENIOR MAX – A healthy grid and some very hard racing. Luke Knott had to work very hard to claim victory and by a very narrow margin from a hard charging Matthew Hirst. The lead group of four had a great battle over the 12 laps and Harrison Wignall and Lewis Seville were at the heels of the lead two – Wignall just claiming third.

JUNIOR TKM – Mathew Round-Garrido showed his class yet again as he held on to take the win. Chris Whitton was again his closest challenger – finishing second – and had to battle hard with 3rd place finisher Aaron Mills.
