

TVKC Club Championship

Round 1
6th April 2014

The First Round of the Summer Club Championships, combined with Round 1 of the LGM and NKF Championship drivers, made for a stunning entry totalling 283!

Despite the longer days it was a bumper programme of 29 heats and 11 Finals – all drivers getting three heats which meant the organisation had to be very slick – and it certainly was!

A BIG thank you to all our Marshals and Officials who made things run very efficiently and to the drivers for some brilliant racing and helping the day run so smoothly.

IAME Cadet – A Club grid of 20+ and great racing all day. Taylor Barnard was in great form and took an excellent win in the Final. Ross Woodford was his nearest challenger but settled for a solid second although he had to work really hard to hold off a hard charging Dominic Bush who pushed all the way to the finish – but third it was.

FIRST NOVICE – Jack Martin

HONDA Cadet – A full grid and, as always, brilliant racing. Myles Apps looked to have the upper hand in the Heats but Harry Thompson was always in his track. In the Final the roles were reversed as a stunning drive by Thompson earned him the win – just – from Apps who had to work hard to hold off a charging Jensen Butterfield in 3rd.

FIRST NOVICE – George Hanafan

JUNIOR MAX – Not the masses that some other classes had but 30 drivers of high quality slugged it out over the three Heats and Final. Will Shaw took a worthy Pole but as mentioned quality was all around. Tom Gamble on grid two got shuffled down at the start but drove a storming race to charge through at the flag and take another win at PFI! Shaw had to be content with second while Stef Charalambous held station with a solid third.

FIRST ROOKIE – McAulay Forbes

MINI MAX – A full house and, all in all, some brilliantly close racing. There is never very much between the Mini's at PF and one name that keeps rising to the top is Ed Hack – he took a very well judge and deserved win. He did have to work very hard as the pack behind were chasing hard but ended up in their own battles – runner up was the ever consistent Thomas Turner, who just, and only just, beat Lucas Vaus who ended up third. Jordon Cane was another front runner all weekend and was right with Turner and Vaus but ended up just off the podium in 4th.

FIRST ROOKIE – *Jae Dale*

SENIOR MAX – An excellent grid of almost 50 Seniors was very pleasing to see! As you would expect, the pace at the front was 'hot' – but up to the challenge was Ben Hingeley, he converted his hard earned Pole into a great win in the Final. Ollie Varney now seems to be a more consistent driver and was always at the sharp end, his experience showing as he finished a solid second. Third place was contested with six or so drivers battling hard. Matthew Hirst eventually taking the place although Jay Taylor had a great race charging up the field and close behind in fourth. The race came to a premature end when Jack Harding lost a rear wheel on the right hander before the pit entrance and collided heavily with the barriers – Red Flags and race over. Hopefully Jack's injuries are not too serious and we wish him a speedy recovery.

IAME X30 JUNIOR - Numbers continue to increase in this new Club Class – 18 quality drivers fighting this one out. Alfie Brown is the one who seems to be getting a handle on the class and made excellent progress forward in the Final to take the win. Hugo Ellis was another who looks at ease in the class, again a forward charge taking him into an excellent second, Elliot Harvey completing the top 3.

IAME X30 SENIOR – As with Juniors, the class is growing – 18 drivers meaning a healthy grid/race of their own. Jack Bartholomew's experience showed as he stroked it home for a very controlled win. Chad Little had a good day and just managed to hold onto second while Josh Hatton was on a charge and did very well to complete the top 3. Nice to see Charlie Barlow having a run out in the UK again finishing 4th, and a solid 5th place taken by Andrew Rees-Reynolds.

JUNIOR TKM - Winner Chris Whitton
