

The 7th and Final Round of the Summer Club Championships, the annual 'Continental Cup' (celebrating the anniversary of the track extension) and the historical 20 years of PFI made this a very special weekend at the venue. Circuit owner Paul Fletcher was on hand to cut a celebratory cake and 220 entries made for an exciting days racing. The morning's weather was very unpleasant with heavy rain, but some improvement during the day was most welcome.

IAME Cadet – An excellent grid and all the main players were present. Jonny Edgar made the best of the tricky Heat conditions and took a well-earned Pole for the Final. Things didn't quite work out though and an incident with Joseph Taylor put him out of the Top 3. Making the most of this was Taylor Barnard who was in the right place at the right time, he had to contend with a hard charging Finlay Bunce who drove a great race into second, while Lorcan Hanifin was close to taking top spot but got shuffled back to third at the flag – great win for Barnard.

FIRST NOVICE – Jack Bowman

2014 TVKC CLUB CHAMPION – Piers Henderson

HONDA Cadet – An excellent days racing from these 'racers', never a dull moment and very tough racing. Dragan Pensant was on Pole but a little bit of 'over driving' lost him places and he slid down the order. Oliver Clarke was also on the front row and did take his chances, it was late in the race but he made the front when it mattered and took an excellent win. Nicholas Reeve was in contention also as the race reached its conclusion and chased hard but had to settle for a very close second, Alex Lloyd taking third.

2014 TVKC CLUB CHAMPION – Harry Thompson

JUNIOR MAX – A strong grid of competitive drivers but with too many incidents (possibly due to the slippery track conditions?). Lewis Malin was consistent in the Heats, claiming Pole but having an incident packed Final and dropping out of the Top 3. Dave Wooder also looked good early on but he slipped down the order, so who was at the front?, Josh Skelton. Very impressive driving by Skelton made sure he had good track positioning and always looked strong enough to hold off Tom Gamble in second – this was the case. Skelton, Gamble, and a very hard charging Bradley Pennell made up a staggering 11 places to finish third!

FIRST ROOKIE – James Bailey

2014 TVKC CLUB CHAMPION – Tom Gamble

MINI MAX - A full grid and plenty of action all day. Difficult conditions didn't make for good racing but some poor driving was also to blame! Kiern Jewiss looked good for a podium place after the Heats but his pace in the wet was not good and he dropped away. Fin Kenneally was making the most of the conditions and jumped into the lead of the Final; he rattled off fast laps and drove off to claim an excellent win. Sean Butcher was also revelling in the conditions and made up 6 places to claim runner up spot, Axel Charpentier had a lonely but solid race into third.

FIRST NOVICE – George Holbrook

FIRST ROOKIE – Patrick Kibble

2014 TVKC CLUB CHAMPION – Rory Hudson

SENIOR MAX - An excellent grid and some very strong contenders for the win. Again, while track conditions were difficult there was no need for the poor driving and lack of respect for each other amongst the drivers. Thankfully at the sharp end the racing was generally good, with Luke Knott showing great speed and consistency to claim the win, Lewis King got the better of Corby Gormley to claim an excellent second (only just behind the winner). Gormley did look in contention for the win but dropped back to third at the flag.

NOVICE – Lewis Currithers

2014 TVKC CLUB CHAMPION – Ollie Varney

X30 JUNIOR - A full grid, (AGAIN), WOW! There was some brilliant hard racing and some not so brilliant racing! Euan Wilson took Pole after some excellent Heat results but had to give best to an 'on form' Lucas Vaus. Vaus was in command for the 11 lap Final and took a comfortable and well deserved win at the flag. Wilson was equally comfy in second while a real fight was going on for the final podium spot – Matthew Round-Garrido finally making the place but not after a battle with Arran Mills, Josh Smith, and Joshua Thompson – good to see.

FIRST NOVICE – Steven Dixon

2014 TVKC CLUB CHAMPION – Oliver Greetham

X30 SENIOR - 14 drivers made for an entertaining day, and the inclusion of Oliver Hodgson added an incentive for the rest. The likes of Chris Trott, Jacob Stilp, Chad Little, Danny Keirle and Stephen Letts all tried with some success but Hodgson did cross the line first in the Final – only to find he had no transponder fitted! (out of the results). So Chris Trott said 'thank you' and inherited first place. Stilp had a good race into second but an underweight meant he too was out of the results, Little and Dan Stocks eventually completing the top 3.

2014 TVKC CLUB CHAMPION – Chris Trott
