

Inner Paddock Regulations for Annual Rental 2019

- **ACCESS IS FOR WORKING VEHICLES ONLY** - Spaces in the Inner Paddock at Trent Valley Kart Club meetings are at a premium and should only be reserved for 'working vehicles'
- **MOTORHOMES & CARAVANS** - if you have a motorhome or caravan and it is **NOT USED FOR WORKING FROM** it should be parked in the outer paddock. Please note that there are electric points in the outer paddock along the fence line at the back of the garages for use by non-working motorhomes, for which we do not charge
- **PRIVATE CARS** – **NO** private cars will be allowed into the inner paddock during a TVKC meeting
- **TEAMS RENTING OUT BAYS** – if none of your drivers are entered into the meeting, TVKC reserves the right to rent out your bays ahead of that meeting. The onus is therefore on the team manager to let us know in advance whether you will be using them
- **PADDOCK PASS SYSTEM** – in order to make the paddock access run smoothly, we have a pass system for all vehicle access. Please complete your vehicle details on the form and you will then be issued with a pass for each vehicle. We have gate security to make sure that only vehicles with the correct passes will be admitted. *Please do not ask for a pass for a private car or a non-working motorhome/caravan as you will not be issued with one*
- **BAY SIZE** – each bay is 8m x 6m. It is your responsibility to make sure that your vehicle fits inside the bay and does not overhang into the roadways, which must be kept clear for emergency purposes. You may be asked to move if it does not fit.
- **COST** - each bay is £325 for the year. For 5 or more bays the 5th onwards are half price.
- **WHAT'S INCLUDED** – there are multi-point electric plug-in points which are accessible from all bays. Power is supplied between the hours of 7am -11pm. Overnight parking is paid by TVKC to the circuit management on your behalf. The bay is rented for the 11 club meetings and Kartmasters Grand Prix. It does not include any visiting Championships.
- **NON-TRANSFERABLE** - Pit spaces are **NOT TRANSFERABLE** and **MUST NOT** be sub-rented to another party. If you do not require the bay(s) for one or more meetings please inform us on pitbays@tvkc.co.uk. During the meeting the club reserves the right to allocate your space to another party if you do not arrive.
- **PAYMENT** – you will be invoiced for your required bays and payment must be made within 7 days of receiving notice that your bay request has been accepted, unless an alternative arrangement has been negotiated. If payment is not received within this time, the bay(s) may be given to someone else.
